Counter will be constructed & finished with a laminate. Please consider placement when designing your graphic elements. Size and placement on template represents acutal size.

Counter size is 66”w X 39.875”h

Please be sure to include the 2” bleed around the perimeter to compensate for the finishing of large graphics. Do not design any critical elements (text, logos, etc.) within 2” of the edge (see dotted lines).

This template displays the whole pulse kit 1 structure for reference of counter and overlapping elements. Please save final artwork files with proper bleeds in the individual templates.
