

Gripper Bars (Slimline SnapGraphics™)

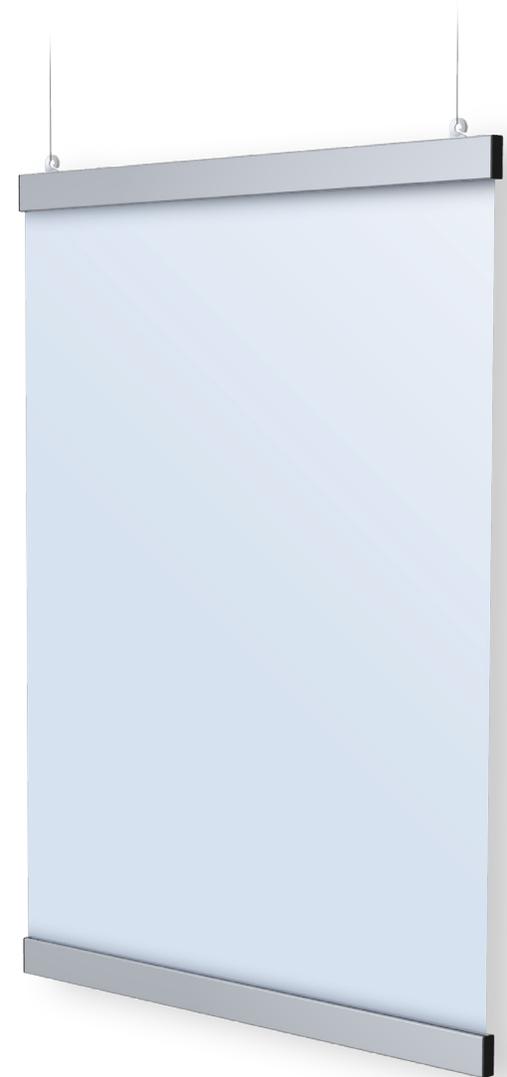

Applicable Products:

SN5 Series

1. Insert graphic into open SnapGraphic™ (fig. A) and clamp into place (fig. B).
(SnapGraphic™ will not close securely unless a graphic is inserted).
2. Slide SnapGraphic™ into aluminum shroud (fig. C).
3. Slide hanging clips directly into top SnapGraphic™ channel (fig. D).
4. Insert endcaps to finish assembly (fig. E).

(graphics are not shown in images above for clarity purposes)

Hanging Clips
